WBA Centennial Celebration Donation & Pledge Form

Onward to 100, and beyond!

On May 17, 2017, the Women's Bar Association of the District of Columbia celebrates 100 years!

The founding of the WBA was the result of decades of effort by Ellen Spencer Mussey and Emma Gillett to gain admittance for women into the practice of law. They felt a need for such an association because the Bar Association of the District of Columbia would not admit attorneys who were women and met to discuss the issue. Two months after that meeting–on May 17, 1917–the WBA was established with 31 charter members.

We hope that you will consider making a donation to the WBA Centennial Celebration.

Gifts can be made at any time and donor levels will be recognized by cumulative giving. Gifts made after publication deadlines may not be recognized in publications.
